PAYMENT POLICIES

PAYMENT PLANS

For continuity and fairness, Moving Arts offers two tuition payment options, only.

1. Lump Sum Payment

Families wishing to pay for their dancer's semester tuition in one check must do so before the end of the first month of classes. There is no surcharge on tuition costs with this option.

2. Monthly Payment

Moving Arts does not offer classes for students wishing to attend on a monthly basis. However, Moving Arts acknowledges the needs of families to pay semester tuition on a monthly basis. Due to the risks of losing students under the monthly pay option before semester's end, and the school's requirement to commit to expenses on a full semester basis, there is a slight surcharge of five percent for the monthly pay option.

WITHDRAWAL POLICY

There is a modest withdrawal penalty of thirty percent applied to classes remaining, when a student withdraws before the end of the semester on the monthly pay option.

There is no refund for a family who has paid semester tuition in a Lump Sum Payment and withdraws before semester's end.

Students who withdraw before the end of second semester are still responsible for the cost of the costumes that have been purchased for them.

ANNUAL STUDENT REGISTRATION FEE

Every student must pay an annual Student Registration Fee of \$30 at the start of the fall semester, or when the student joins Moving Arts for the school year.

Your fee will be waived if you:

- pay full semester tuition on or before Registration Day; or
- if requiring a monthly payment plan, pay first month's tuition on or before Registration Day

Families whose tuition payment is not received by the end of Registration Day will be charged the Student Registration Fee.
